# 1 Person Tent

- Floor Size: 7'5" x 4'11"
- Pack Size: 6" x 18.5
- Tent Area: 36.5 sq. ft.
- Center Height: 3' 7.5"
- Min Weight: 4 lbs. 6 oz. Sleeps: 2
- Frame: 8.5 mm 7000 series aluminum
- Vents: 1
- Doors: 2
- Window: s2

- The three-season Pinnacle Pass 2 from Eureka! delivers many high-performance features at a great price. Perfect for weekend getaways or backcountry excursions, its a great choice for the solo camper, but roomy enough for a duet. The lightweight two-pole, 7,000 series aluminum frame of the Pinnacle Pass 2 is the perfect choice when its important to keep weight to a minimum. Two large twin-track doors with zippered covers offer easy entry. Dual demi-vestibules keep gear dry in inclement weather. Hooded vent on side wall, plus large mesh areas ensure maximum airflow in wet or humid conditions. Ring and pin assembly combined with pole clips make for quick and easy setup. Frame sections are shock corded in short sections for convenient storage in a backpack, canoe or bike panniers. 75-denier Storm shield polyester fly with 1,500mm-rated waterproof coating provides protection in inclement weather, and attaches with side-release buckles for fast, easy setup. Two interior storage pockets keep essentials handy.

# 6-Person Tent

- Three season, free-standing, deluxe car camping/ base camp tent
- Lightweight aluminum poles with press fit connectors
- Color coded webbing and buckles make set up easy
- Fly is durable polyester rip-stop with 1500mm waterproof polyurethane coating
- Floor is durable polyester with 1500mm waterproof polyurethane coating
- Tent body is lightweight polyester mesh and durable polyester rip-stop. Tent body doors are polyester with 1500mm waterproof polyurethane coating
- Sleeves and plastic clips attach the tent body to the pole frame for quick and easy set-up
- Reflective guyline for nighttime visibility
- Two large doors
- Welcome mat on front door provides space for muddy shoes
- Interior mesh floor pockets
- All seams taped with waterproof, solvent-free polyurethane (No PVC or VOC's) tape
- 14 superlight aluminum stakes included with tents
- Briefcase style carry bag with long shoulder straps and organizational pockets
- **Since the Big House tents are large, high profile tents, we recommend staking out all stake out points and all guy outs for the most stability, especially in windy conditions.**
- Note: we list several weights for our tents to aid your product research.  
Trail weight refers to poles, fly and tent body.  
Packed weight includes poles, fly, tent body, stakes, guy lines, stuff sacks, instructions, and packaging.  
Fast Fly weight refers to the poles, tent fly and accessory Fast Fly footprint.
